

How To Find, Copy and Paste Your Adwords ID

1. Log in to you adwords account
2. At the top right hand side or your account you should see your Adwords Customer Id
3. Select the numbers with your mouse and copy it
4. Paste the numbers into the field in [our onboarding page](#).

How To Accept Our Request

Once we have your ID, we will send you an invite to let us into your account. You should get a notice from google via email, or the next time you log into your account you'll see a notice for you to accept our request.

You'll need to accept our request. To do that you need to...

1. Log into your adwords account
2. Click the cog in the top right hand corner
3. Select 'account settings' then
4. Select 'account access'
5. Accept our request from add10 or add10Adwords

Thanks, we are looking forward to helping you grow faster and easier.
